

# You Can Get It If You Really Want

**Samuel E. Wright**

You can get it if you really want  
You can get it if you really want  
You can get it if you really want  
    But you must try, try and try  
    Try and try, you'll succeed at last  
    Look herePersecution you must bear  
    Win or lose you've got to get your share  
        Got your mind set on a dream  
You can get it, though harder they seem nowYou can get it if you really want  
    You can get it if you really want  
    You can get it if you really want  
        But you must try, try and try  
        Try and try, you'll succeed at last  
    I know it, listenRome was not built in a day  
        Opposition will come your way  
        But the hotter the battle you see  
It's the sweeter the victory, nowYou can get it if you really want  
    You can get it if you really want  
    You can get it if you really want  
        But you must try, try and try  
Try and try, you'll succeed at lastYou can get it if you really want  
    You can get it if you really want  
    You can get it if you really want  
        But you must try, try and try  
Try and try, you'll succeed at lastYou can get it if you really want  
    (I know it)  
    You can get it if you really want  
        (Don't I show it?)  
    You can get it if you really want  
        (So don't give up now)  
    You can get it if you really want  
        (Keep on trying)
