

# Scandalous (radio edit)

## Mis-Teeq

So, so, so scandalous  
You know you want to sing with us (baby)  
That's why you know you should be scared of us (baby) Non stop looks to kill  
Straight talk sex appeal  
One touch gives me chills and we ain't even close yet  
Rough neck all around  
Inking all over town  
Show me how you get down  
Cause we ain't even close yet You got me feining and you got me feeling weak  
Listen as I speak 'cause I'm careful as I creep  
You got me going crazy and you know I can't sleep  
No fortune your moves and you hypnotize me  
You got me trembling like a little baby girl  
You're so special, you're like diamonds and pearls  
You got me spinning and you got me in a twirl  
You're my number one baby and you come to rock my world [Chorus]  
You're dangerous  
Just get it up  
The way you move so scandalous  
It's all about the two of us  
A one night stand just ain't enough  
I need some stimulation baby  
A little conversation maybe  
You got me spinning out like crazy  
There goes my baby Scandalous (baby)  
So scandalous (baby)  
Scandalous (baby)  
So, so, so scandalous Hot stuff, head to toe  
Where you go, no one knows  
You smile playing the dough and we ain't even close yet  
Solid as a rock  
How many ways can you hit the spot?  
Show me what you got 'cause we ain't even close yet You got me feining and you got me feeling weak  
Listen as I speak 'cause I'm careful as I creep  
You got me going crazy and you know I can't sleep  
No fortune your moves and you hypnotize me  
You got me trembling like a little baby girl  
You're so special, you're like diamonds and pearls  
You got me spinning and you got me in a twirl

You're my number one baby and you come to rock my world[Chorus]Scandalous (baby)

So scandalous (baby)

Scandalous (baby)

So, so, so scandalousA little conversation goes a long, long way

Show a little patience

That you are here to stay

So show me that you're game oh[Chorus: x2]You know you want to sing with us (baby)

That's why you know you should be scared of us (baby)

You know you want to sing with us (baby)

That's why you know you should be scared of us (baby)
