Library pictures of the quickening canoe

The first of it's kind to get to the moon

Draw some ellipses to chase you round the room

Through curly straws and metaphors and gooBeen watching all the neon blossom, flickering

You look as if you've all forgotten where you've been

Going riding through the thunder so cold, fuzz canyon

10, 9, 8, 7, 6, 5, 4, 3, 2, 1Library pictures of the quickening canoe

The first of it's kind to get to the moon

Give me an eeny, meeny, miny, moe

Or an ipp, dipp, dog shit, rock and roll
