

Transformation

Better Than a Thousand

You've got to state your mission, establish your goals

 Explicitly see yourself down the road

 Know what you want, know what you need

 And know that you've got what it takes to succeed

 DISCIPLINE, DIRECTION

 And determination

 DISCIPLINE, PERFECTION

TransformationPeople meander, they stumble along

 Life feels so empty, like something is wrong

 Hate the situation you find yourself in

You must see your future before you againDISCIPLINE, DIRECTION

 And determination

 DISCIPLINE, PERFECTION

TransformationOur transformationDISCIPLINE, DIRECTION

 And determination

 DISCIPLINE, PERFECTION
