Moonlight waltz

ê¹€ìœ¤

She looks so pale
Within her misty veil
She scales the sky
From east to west
And takes no rest"Before the coming
Of the night
The moon shows papery white
Before the dawning
Of the day
She fades awayTake my life
'til the end of our time
Take my hands
'til the sun begins to shineBefore she sleeps
She dances the moonlight waltz
She climbs the sky
From side to side
She embraces the rising tideBefore the coming
Of the night
The moon shows papery white
Before the dawning
Of the day
She fades away
