

Rainy Day Bells

Globetrotters

Pitter-patter, rain day bells

Rainy day bells ring in the chapel
Telling the people there's going to be sunshine
Rainy day bells played by the raindrops
Sing out a message, "don't be afraid of the storm"
Somewhere the sun is shining through a silver lining
Wait and see, save a rainy day bell

Pitter-patter, rain day bells

Hey, little girl, come to your window
And hear the music sing you a sweet song
Don't let the rain make you unhappy
In just a moment we're going to be walking in the sun
Little gray clouds will cheer up
They're going to smile and clear up
When they hear those rainy day bells

Pitter-patter, rain day bells
