

# Fluffy

## Ween

Fluffy, furry buddy  
Chewed his leg on the porch  
Whyd you do it Fluffy  
On the porch? Good dog Fluffy  
Old friend, my pal  
Fluffys got his buddy  
On the porch Penny, she's my girlie  
She sits here with me, on the porch  
Oh Penny looks so pretty  
On the porch Penny takes Fluffy for a walk out  
On the path  
And Fluffy chases the other doggies  
On the path The pig says to Penny  
"Get Fluffy back on the porch"  
So me and Fluffy and Penny  
Are on the porch
