

# Little Things

Jj Heller

There are not enough minutes in the day  
I am crippled by the thought of wasting time  
I don't have enough money to heal the poor  
So I don't want to try

But it's the little things that make a difference  
It's the little things that show love  
It's the little things  
A simple cup of water that can change the world  
That can save our sons and daughters

I'll be praying for the widow all alone  
Sewing clothes for a loaf of bread  
It is not my fault that she is hungry  
It's my joy to make sure she's fed

We are all related, children of the King  
We may not have much, but what we have we bring
