Rollin

Z-Ro

(Chorus)
I told her jump up in my car
(Woohooo)
And we was rollin, rollin, rollin, rollin, rollin
(Woohooo)
That's exactly what it feel like
When I watch her dance
(Woohooo)
Her body rollin, rollin, rollin, rollin, rollin
(Woohooo)
That's exactly what it look like
(Verse 1)
I said excuse me baby what yo name is?
Ain't you on TV shawty ain't you famous?
Cause you up in the club lookin like a angel, angel
Body lookin right just like a mango, ayo
Girl tell me what you got poppin
What about this weekend we go Gucci shoppping?
She said boy I don't to what yo game was?
I said girl I just asked what yo name was
Because YOU got a body like a video vixen
And YOU got that inter-dose so give me my perscription
(Ah haa)
She liked my style
(Okaay)
She showed me love
Pull up in that drop caught her walkin out the club
(Chorus)
I told her jump up in my car
(Woohooo)
And we was rollin, rollin, rollin, rollin, rollin
(Woohooo)
That's exactly what it feel like
When I watch her dance
(Woohooo)
Her body rollin, rollin, rollin, rollin, rollin
(Woohooo)
That's exactly what it look like
(Verse 2)

I said excuse me there lil sexy mama
Are you a voter did you pick Obama?
You see I'm only tryna make sure that you legal, legal
Body look like it could be lethal, lethal
(Hold up)

Baby let me see that
See that cannot be real I can't believe that
She said boy I love where your mind at
I said I'm a little faded never mind that
Because YOU got a body like a video vixen
And YOU got that inter-dose so give me my perscription
(Ah haa)
She liked my style
(Okaay)
She showed me love
Have her screamin like you know how I does
(Chorus)
I told her jump up in my car
(Woohooo)
And we was rollin, rollin, rollin, rollin, rollin
(Woohooo)
That's exactly what it feel like
When I watch her dance
(Woohooo)
Her body rollin, rollin, rollin, rollin, rollin
(Woohooo)
I to-I to-I to-I told her jump up in my car
(Woohooo)
And we was rollin, rollin, rollin, rollin, rollin

Her body rollin, rollin, rollin, rollin, rollin
