fuckin posers-
yo yo yeah(4x)
uh

Fuckin' posers
It's almost over now
It's almost over nowfor ya fuckin posers
yeah
its almost over now
almost over nowYou think the way you lives okay
You think posing
Will save the day
You think we don't see
That you're running
Better call your boys
'Cause I'm coming[Chorus]You can't be me
I'm a Rock Star
I'm rhyming on the top of a cop car
I'm a rebel and my .44 pops farIt's almost over now
It's almost over nowguess
You ain't heard that we swallow guys
It's too damn late to apologize
Will you see the mantle or will you see the skiesIt's almost over now
It's almost over nowYou think that you don't have to ever quit
You think that you can get away with itYou think the light won't be ever litIt's almost over now
Almost over nowSomething's on your chest
Better get it off
There'll be no one left when we set it off
We ain't gonna take it no more
SinceIt's almost over now
Almost over nowYou had plenty of time
There was no rush
But it was your dream to be like us
You're in dreamland so you don't care
And as you wait(im standing there,im standing there mother fucker)
we're standing thereYou can't be me
I'm a Rock Star
I'm rhyming on the top of a cop car
I'm a rebel and my .44 pops farIt's almost over now

It's almost over nowi guess
You ain't heard that we swallow guys

We ain't gonna take it no more
SinceIt's almost over now
Almost over nowYou don't succeed cause you hesitate
You think we're fly
But we levitate
Just be yourself
Don't ask us why
'Cause if you don't we'll make you flyYou can't be me
