Invert the inverted cross

Horde

the cross of christ
turned upside down
symbol of his supposed defeat
those in darkness
rejoice in this
but the truth is revealed to the chosen
christ stormed the gates of hell
to take the keys thereof
now the keys of death and hades
belong to the enternal one
hell awaits the demonic forces
who seek to prevert the cross
flaming hellfire destruction
is their final dwelling place
so
what remains to be said
invert the inverted cross
the inversion is but a lie
upright it should stand
no longer an inversion
but a symbol of supreme victory
