

Master Of Insanity

Black Sabbath

Look all around
Can't you open your eyes
Voices are callingKilling rain falling down from the sky
Crying with nightmare tearsOut on the street
You'll see blood on the ground
Cities are burningFeeling the pain cutting right to your soul
Goodbye now
You're caught in his spellYour freedom is gone
He's taken everything
You ever had
But if you're strong you'll survive
You've got to hold on
Open your eyes[Chorus]
Behind the lies you will see
The master of insanity
Under the mask there will be
The master of insanityInnocent minds
They're the victims of shame
Staring in sorrowPromises lying there
Broken and crushed
Confusion-just disappearWhat can you give
To be left all alone
When there's nothing at allYour freedom is gone
He's taken everything
You ever had
But if you're strong you'll survive
You've got to hold on
Open your eyes[Chorus]Behind the lies you will find
He's trying to get inside you
Just open your eyes and you will see
The master of insanity[Chorus]Between the lies you will find
that he's trying to get inside you
Out of the night into your mind
He's always right beside youYeah, between the lies you will see
The master of insanity
Open your eyes or you will be
The master of insanity
