## The Smiths

Smoke lingers 'round your fingers  
Train, heave on to Euston  
Do you think you've made the right decision this time? You left your tired family grieving  
And you think they're sad because you're leaving  
But didn't you see the jealousy in the eyes  
Of the ones who had to stay behind? And do you think you've made the right decision this time? You left your  
girlfriend on the platform  
With this really ragged notion that you'll return  
But she knows that when he goes, he really goes And do you think you've made the right decision this time?
