

The Fountain

Veronica Falls

Oooh Ooh Ooh Oooh Ooh Ooh Ooh Oh Oooh(Ooh Oh Oh Oooh Ooh)On a distant hillside
I watched our love die (Ooh Oh Oh Oooh Ooh)
I lost my baby to the winter.
And I couldn't bear to hold you near when everything I feel is haunting me.Darling dear (Darling dear)
I 'm right here (I 'm right here)
Baby dollDon't take me back to the fountain (Don't take me back)
There's nothing left there for you (There's nothing left for you)
Just take your flowers and leave them at the fountain (And watch the fountain bloom)Oooh Ooh Ooh Oooh Ooh
Ooh OoohI found you in an empty room (ooh ooh oh ooh)
I let you go (ooh ooh oh ooh)
How could I know
To hold you near when everything I fear was haunting me.Darling dear (Darling dear)
I 'm not here (I'm not here)
Anymore.Don't take me back to the fountain (Don't take me back)
There's nothing left for me and you (There's nothing left for you)
Just take your flowers and leave them at the fountain
Just take your flowers and watch me walk away (Will walk away today)Just take your flowers and leave them at
the fountain
Just take your flowers and watch me wilt away (Will wilt away today)Oooh Ooh Ooh Oooh Ooh Ooh Ooh
