

Don't Take Chances

We Are the Ocean

Don't take chances on me
I don't think I can let you go
I'll be right here for you
(I'll be right here for you)
So just tell me and let me go
(So just tell me and let me go)
I don't think I can take it no more

I've had enough,
Forgive me if I can't hold my tongue
And I'm giving up
All I wanted was to be by your side
All I wanted was to feel alive

Go, you come and go
Will you forget, go
You come and go
Will you want to?

Have I said enough?
I'm not sure
I can't bare this hurt inside
If I kissed you
Would you know
That it's me that you want in your life
So will you please take my hands tonight

I've had enough,
Forgive me if I can't hold my tongue
And I'm giving up
All I wanted was to be by your side
All I wanted was to feel alive

I've had enough
Forgive me if I can't hold my tongue
And I'm giving up

All I wanted is to be by your side
All I wanted is to feel alive
So won't you please take my hands tonight

Tonight
