

I Disagree

East 17

Ah ah ah ah ah ah ah ah I disagree
I disagree with prisons I disagree with war
I disagree with powers and all that they stand for
I disagree with violence it's survival having a say
I disagree with war because I know that's not the way
I disagree with class distinction labels and names
I disagree with cold belief that binds you in chains
I disagree with law because it's mother hypocrisy
man cannot be caged man is love and love is free
Dis - love is free - dis dis dis dis dis
I disagree if you believe a mind can be controlled
I disagree if you believe a soul can be sold
I disagree with murder 'cause I know that that is wrong
I send peace out to my brother brother help me to be strong
Dis - help me to be strong - dis dis dis dis
I disagree that we can't live as one family
I disagree a rose should be born with no leaves
I disagree the world will end on 2000 years
'cause I know the lord will come before the final fall of tears
I disagree I disagree I disagree I disagree
I disagree with powers that cause this world pain
they promise you sunshine but all they bring's rain
I disagree with leaders that lead without love
it's time they stood aside while we take this world above
I disagree I disagree - step aside
I disagree I disagree - beat it
I disagree I disagree
I disagree I disagree
I disagree - I disagree - I disagree - I disagree
I disagree - I disagree - I disagree - I disagree
I disagree - I disagree - I disagree - I disagree
I disagree - I disagree - I disagree - I disagree
Dis dis dis dis dis dis
I disagree - I disagree - I disagree - I disagree
I disagree - I disagree - I disagree - I disagree
I disagree - I disagree - I disagree - I disagree
I disagree - I disagree - I disagree - I disagree
I disagree - I disagree - I disagree - I disagree

I disagree - I disagree - I disagree - I disagree
