

# Julie in the Weeds

[Morrissey](#)

Julie lie down in the weeds and see something new  
Something new  
Julie from now on all the pain of youth  
It will not trouble you  
It will not trouble you North, east, south, west  
No one has a clue  
Nobody quite knows what to do Julie lie down in the weeds and see  
How I look at you  
How I look at you North, east, south, west  
No one has a clue  
Nobody quite knows what to do
