How 'Bout You?

Yonder Mountain String Band

Don't tie me up and take my time
Waiting years and wondering why
I love old songs and what they know
Just turn 'em up and let 'em goI ask myself what I need
Homesick blues and melodies
This old tune's what I desire
It's hot as hell it burns like fire, burns like fireChorus:
How 'bout you? How 'bout you?
I wonder where you're going to
Flyin' by and out of view
I'll keep looking, how 'bout you?I love old lights from the radio
Nowadays I just don't know
There's less and less for me to prove
Just more folks to prove it to, to prove it to[Chorus]Telephones won't let me be
They never sound like what I need
Up all night and listenin' to
The things you say and never do, never do[Chorus]
