

# Bitches Crystal (2012 - Remaster)

## Emerson, Lake & Palmer

Bitches crystal  
Knows how you  
Twist all the lines Fortune teller  
Future seller  
Of time Tortured spirits cry  
Fear is in their eyes  
Ghostly images die Witches potion  
Mixed in the ocean  
Of tears Mystical powers  
Emerge from the towers  
Of fear Tortured spirits cry  
Fear is in their eyes  
Ghostly images die Evil learning  
People burning  
Savage casting  
No one lasting Witchcraft  
Sadness  
Madness  
Turning in their minds Ritual killings  
That swear in  
The shillings to be Heretic priestess  
Dwells on the  
Weakness she sees  
Tortured spirits cry Fear is in their eye black moon
