

# Typecast Modulator (Big Beat mix)

## Snapcase

Don't paint us the perfect picture  
We have visions of our own  
Don't give us the safe interpretation  
We want, we want to know the truthWe're not down to die  
And be this typecast culture  
We're not down to die  
And be the faceless soldiersDon't sell us the perfect image  
We'll struggle to find ourselves  
We want the unpopular challenge  
We want, we want to test our intellectTest our intellect  
We have learned this devotion  
We are programmed, conditioned  
Senseless, senseless emotions  
We've lost our desire to think aloneTo think alone  
To think aloneWe're not down to die  
And be this typecast culture  
We're not down to die  
And be the faceless soldiersWe're not down
