

Needle In The Hay

Nadja

Your hand on his arm
The hay stack charm around your neck
Strung out and thin
Calling some friend, trying to cash some check
He's acting dumb
That's what you've come to expect
Needle in the hay
Needle in the hay
Needle in the hay
Needle in the hay
He's wearing your clothes
Head down to toes, a reaction to you
You say you know what he did
But you idiot kid you don't have a clue
Sometimes they just get caught in the eye
You're pulling him through
Needle in the hay
Needle in the hay
Needle in the hay
Needle in the hay

Now on the bus, nearly touching this dirty latrine
Falling out sixth and Powell, a dead sweat in my teeth
Gonna walk, walk, walk
Four more blocks plus the one in my brain
Down, downstairs to the man
He's gonna make it all okay
I can't be myself, I can't be myself
Then I don't want to talk
I'm taking the cure
So I can be quiet wherever I want
So leave me alone
You ought to be proud that I'm getting good marks
Needle in the hay
Needle in the hay
Needle in the hay
Needle in the hay
Needle in the hay
Needle in the hay

Needle in the hay
Needle in the hay
