Look In My Eyes

[Rains](#)

I know you're waiting and you're so damn nervous
I know you're hoping that I could explain this
Look in my eyes
I will try and show youI know you think I am the devil in this
I know you're thinking that you don't deserve this
look in my eyesWhat did you want me to be
When I see you falling
How did you want me to see
Your life and your lying
How did you want me to feel
when I see you trying
Trying so hard to fit in
To the world you are buyingI know you're thinking that you should have been there
I know you're thinking that no one cares
just look in my eyes
I will try and show youI know you think I should be saying i'm sorry
You arent the person i thought you'd be
Just look in my eyesWhat did you want me to be
When I see you falling
How did you want me to see
Your life and your lying
How did you want me to feel
when I see you trying
Trying so hard to fit in
To the world you are buyingJust take a look at who you are
Dont blame me for the Hardest part
I told you when the
Rain starts falling it all starts crashing
Down and life will run you right into the ground
Just take a look at who you are
