

In The Future When All Is Well

Morrissey

Armed with wealth and good health
The best of health
In the future when all's well
I will lie down and be counted
In the future when all's well I thank you
I thank you with all of my heart
I thank you
I thank you with all of my heart
Lee, please stand up and defend me
In the future when all's well
Confront what you are afraid of
In the future when all's well Every day I play a sad game called
In the future when all's well
Living longer than I had intended
Something must have gone...right! I thank you
I thank you with all of my heart
I thank you
I thank you with all of my heart
Lee, please stand up and defend me
In the future when all's well
Confront what you are afraid of
In the future when all's well
