

# June in January

## Jo Stafford

A clouded moon  
Creeps across the clouded sky  
Winds of January sigh and moanAnd yet it's June  
I can see a sky of blue  
Dear the miracle is due to you, just youIt's June in January  
Because I'm in loveIt always is spring in my heart  
With you in my armsThe snow is just white blossoms  
That fall from above  
And here is the reason, my dear  
Your magical charmsThe night is cold  
The trees are bare  
But I can feel  
The scent of roses in the airIt's June in January  
Because I'm in love  
But only because I'm in love with youOh, the night is cold  
Won't it be to bear?  
But I can feel  
The scent of roses in the airIt's June in January  
Because I'm in love  
But only because I'm in love with you
