We're some space cadets  
keep a stupid ass check  
and designer specks  
On my face  
Show respect  
I'm a rock star  
Yeah nigga, outer space  
I'm a rock star  
Yeah, yeah, I'm out of space  
I'm a rock star  
Outer space  
Penthouse  
Had a way  
Found blue

Your casket closed

Out of here

I can make it disappear  
Drape like a chandelier  
Astronaut when I slip  
Racks on  
Racks now  
Understanding crystal clear  
We some space cadets  
keep a stupid ass check  
and designer specks  
On my face  
Show respect  
I'm a rock star  
Yeah nigga, outer space

I'm a rock star  
Yeah, yeah, I'm out of space  
We some space cadets  
keep a stupid ass check  
and designer specks  
On my face  
Show respect  
I'm a rock star  
Yeah nigga, outer space  
I'm a rock star

Yeah, yeah, I'm out of space  
I'm drinking all dirty  
my wrist cost the thirty  
My chain in the ocean  
I'm floating and rolling  
Skeletons on my arm  
Skeletons on my back  
angle wings on my tats  
Benjamin's in my raks  
put spikes on my convers  
designer frames on my eye  
we makin these movies now  
So media they no surprised  
Started in crack houses  
Not really mansions  
We're the finesse gang  
We going to spend it  
i went through a crazy check

I keep me a dumb check  
I got me a combination  
Bitches want freaky sex  
A black and a white girl  
Can mimic a cipher  
nothin but some dracuilas  
suck me spectacular  
We some space cadets  
keep a stupid ass check  
and designer specks  
On my face  
Show respect  
I'm a rock star  
Yeah nigga, outer space  
I'm a rock star  
Yeah, yeah, I'm out of space  
We some space cadets  
keep a stupid ass check  
and designer specks  
On my face  
Show respect  
I'm a rock star  
Yeah nigga, outer space  
I'm a rock star  
Yeah, yeah, I'm out of space
