

# Is There A Difference?

Howard Jones

Is there a difference between yes and no?  
Is there a difference between up and down?  
Must I fear what others fear?  
What nonsenseSome people are content  
Enjoying things that belong to tradition  
With the seasons they cast their lot  
Without a questionOther men are clear and bright and solid  
Other men are sharp and clever and jolly  
And we goIs there a difference between high and low?  
Is there a difference between then and now?  
Do we have to live in pain and fear?  
What nonsensePeople are drifting like the waves on the sea  
Without direction like the restless wind  
Not knowing forward, not knowing back  
Just existingOther men are strong and full of courage  
Other men are witty and full of knowledge  
And we goOther men are clear and bright and solid  
(I alone am drifting on the sea)  
Other men are sharp and clever and jolly  
(Restless like the wind)  
And we goIs there a difference?  
Is there really a difference?  
Yes and noIs there a difference?  
Is there really a difference?  
Up and downIs there a difference?  
Is there really a difference?  
High and lowIs there a difference?  
Is there really a difference?  
Then and nowIs there a difference?  
Is there really a difference?  
Yes and noIs there a difference?  
Is there really a difference?  
Up and downIs there a difference?  
Is there really a difference?
