

# Turned Inside Out

## Rollins Band

Turned inside out for all to see  
Turned inside out for all to see  
See yourself, see the monster  
Touch this, feel this  
Say Freak, freak, freak, freak, freak, freak, freak, freak, freak, freak  
Feel the beast  
Laugh, laugh, laugh out loud  
freak, freak, freak, freak, freak, freak, freak, freak, freak, freak  
Take this  
Break this  
Freak, freak, freak, freak, freak  
You're a criminal  
Turned inside out for all to see, see, see  
Could that be you? Could that be you? Could that be you? Could that be you?  
Turned inside out for all to see  
See it till your eyes blind you, killer, killer, killer  
See it till your eyes blind you  
Freak, freak  
freak, freak, freak, freak  
Entertain me, entertain me, entertain me, entertain me  
Get up get up, get up, get up, get up  
Turned inside out, out, out, out, for all to see  
Laughing, laughing, laughing, laughing  
Turned inside out for all to see  
Laughing, laughing, laughing, laughing, as you fall  
Ohhhh, you fall  
Is that you? Is that you? Is that you?  
Freak, freak, freak, freak, freak, freak, freak  
Turned inside out for all to see, for all to see, for all to see
