

# For the People

## 3 Canal

Listen in right cos my jam be the joint Press play on the track till it hits ya boiling point When the crowd no longer sit aside and just simmer Cos we up in the spot as the lights grow dimmer Play that shizzle on your speakers dont delay Street anthem sound from your local DJ mix master Equipped to make you bounce with the beat mechanism We up in the Fale with the vinyl cipher system [Chorus:] Friday night is the scene Party people everywhere Check your frequencies Let me see you getting down onto the dance floor Nesians are you with me Are you with me Friday night is the scene Party people everywhere Let the music take control of your mind body and soul Check your frequencies Get up and get ready All night all night [Verse:] Every second of the party M.U.L.L.E.T prolifically lacking in the constant movement your consuming Everybody want to be trying to be showing individual mooli technique Initialise them verbal styles to mystify your mind Necessary for these fellas Demonstrate essential element fundamental rhythms we provide Essential apparatus Broken English is apparent It be the tropical siva movement for your action Upon sense begins to shatter Aint no excuses like Cube said put your back in Laxed out atmosphere be getting phatter by the minute the beat filling up the room Nobody getting timid Brothaz gotta keep there lines tight tonight Cos the sistaz are looking fly as the place starts to ignite [Chorus:] Friday night is the scene Party people everywhere Check your frequencies Let me see you getting down onto the dance floor Are you with me Nesians are you with me Party people everywhere Friday night is the scene Check your frequencies Let the music take control of your mind body and soul Get up and get ready All night all night [Verse:] Vinyl distracts focus mental concentration Instant stutter becomes a hazard to regulation Not to mention adapt to situation Materialize upon destination Stand up get up no more dancing with your eyes Status uncompromised villager identify Tonight is the night to let your body unwind So let loose and eventually let ya mind initialise Progression of navigation is encapsulated in that you waited so long Cos you cant get by the fact that tonight is Friday night All of ya fantasies become reality when they collide Let the music catch you off guard/ be venerable to the beat lady My style stay cryptic from crossed words out of adverbs Disturbed from your reverb in case you never heard When we rock mics we tend to rock right Cos when we rock mics we rock the mic right Ignite ya light and throw ya hands high Cos its carcken on a Friday when we roll right Layin pipe AK taking it worldwide Say it with me now M double O L I [Chorus:] Friday night is the scene Party people everywhere Check your frequencies Let me see you getting down onto the dance floor Nesians are you with me Are you with me Friday night is the scene Party people everywhere Let the music take control of your mind body and soul Check your frequencies Get up and get ready All night all night
