

Passion

Traci Braxton

I got a confession
that I'm sick in love with him
he makes me so full of passion
I just want him to understand
Because he hasn't got a clue
how much I want him
how much I need him
ooh baby, because he hasn't got
a clue how much I need him in my life
Im alone in this passion
though I want him I can't have him
I'm not used to not getting what I want
When I want it and I want him
I wonder what it would be like
if he knew what I was feeling
maybe he feels like I do
he's my fantasy but he don't know
he's my fantasy what should I do
Because he hasn't got a clue
how much I want him
how much I need him
ooh baby, because he hasn't got
a clue how much I need him in my life
I'm alone in this passion
though I want him I can't have him
I'm not used to not getting what I want
When I want it and I want him
I don't want nobody else
all I want is you
so just let me prove I can give you what
you need
I can be your everything I promise you
forever maybe one day you will come around
I'm alone in this passion (I'm in love with you and I don't want nobody else)
though I want him I can't have him
I'm not used to not getting what I want
when I want it and I want him(I want you)
all i want, your the one I want
I want you

I'm so in love (i'm in love with you and I don't want nobody else)
I want your love (i'm in love with you and I don't want nobody else)
thats what I want, thats what I need
I'm so in love
I want your love
Im so in love, yeah, so in love
I'm so in love
I want your love
I'm so in love
I want your love
