

O Claire

Cheap Trick

Bye bye, love, goodbye
See you on the other side
Bye bye, love, goodbye
I'll see you on the other sideHurry on, home to bed
O Claire, you're much younger
Than I'd ever hoped to beO Claire, it's so lonely when you're not there
Anyone can take me where
The places, they weren't there, O ClaireI hear your heart from here
But now you're much stronger
Than I'd ever hoped to beI swear, gone a place beyond compare
So lonely when you're not there
I can step to watch and stare, O ClaireJust between the two of us
Something 'tween the two of us
Is more than just the two of us
Just between the two of us
O my love, goodbye
O my love, goodbyeHurry on home to bed
Claire you're much stronger
Than I'd ever hoped to beO Claire, the nights when you're not there
Is more than I can bear
Something only we can share, O ClaireJust between the two of us
Something 'tween the two of us
Is more than just the two of us
Just between the two of us
O my love, goodbye
O my love, goodbyeBye bye, love, goodbye
I'll see you on the other side
Bye bye, love, goodbye
See you on the other side
Bye bye, love, goodbyeJust between the two of us
Something 'tween the two of us
Is more than just the two of us
Just between the two of us
O my love, goodbye
O my loveBye bye, love, goodbye
See you on the other side
Bye bye, love, goodbye
I'll see you on the other side
