

Who's Crying Now

Journey

It's been a mystery
Still they try to see
Why something good
Can hurt so bad Caught on a one-way street
The taste of bittersweet
Love will survive somehow, someway (Chorus)
One love feeds the fire
One heart burns desire
Wonder who's cryin' now Two hearts born to run
Who'll be the lonely one
Wonder who's cryin' now So many stormy nights
So many wrong or rights
Neither could change
Their headstrong ways In a lover's rage
They tore another page
The fighting is worth
The love they save (Chorus)
One love feeds the fire
One heart burns desire
Wonder who's cryin' now Two hearts born to run
Who'll be the lonely one
Wonder who's cryin' now Only so many tears
You can cry
'Til the heartache is over
And now you can say
Your love will never die
Whooaa Oooh Whooooaa (Chorus)
One love feeds the fire
One heart burns desire
Wonder who's cryin' now Two hearts born to run
Who'll be the lonely one
Wonder who's cryin' now
