Hey, this ya boy Lil Scrappy  
Tha Prince of Crunk  
Yeah, Lil J on tha track nigga  
Ay, it's time for all security to get around  
It's going down  
Yeah, well, I'ma gat totin', pistol holdin'  
Nigga on yo damn street stompin', jumpin', bumpin'  
And get crunk off in this damn thang  
Throwin' dem bows up at dez hoes  
They screamin', they bleedin' from they nose  
But when we start to swang we makin' niggas hit the flo'  
Ain't no game off in this thang we too deep off yo party  
Crime Mob niggas gettin' started, Ellenwood niggas be the hardest  
So if a nigga come and run his mouth just like ho  
Punch him dead up in his nose and stomp his ass down to the flo'  
Yeah we knuckin' and buckin' and ready to fight  
I bet I'ma throw dem thangs  
So haters best to think twice and Crime Mob it ain't no stoppin'  
Tag team like Saddam Husein, Hitler and Osama Bin Laden  
Like they steady gum poppin' and I am actin' a fool  
I wish a hater would get crunk up on this Crime Mob crew

Broken bones laying long scattered across the concrete  
Knuckin' if you buckin' you'll be duckin' if you get too close  
In my eyes you wasn't wise, I think it's time I knuck you ho  
I come in da club shakin' my dreads, throwin' dem bows  
And bussin' dez heads

I blow you away 'cause you wastin' my time  
Stupid ass niggas I know what to do  
I waste yo ass you step to my crew
