Jhene Aiko

Out of place, out of space and time, wide awake
Out of papers I am, not okay
I am out my mind
Outer space, thatâ€™s where I been goin'
To a place where, place where nobody knows
Floating at a pace where now you see me now and now you donâ€™t

I do not feel the fear of fallin, I wanna fly
If it all goes well then I will
But what if I donâ€™t?

Ill be right where I was before
But Iâ€™m not alone, you said take my hand
And we go (and we go), and we go (and we go)
And I hope that we donâ€™t overdose
Cause we donâ€™t (cause we donâ€™t)
No we donâ€™t (no we don't)
Ever know when we have had enough

Wait

Now my thoughts so cloudy and my hearts so crowded with pain
I am so frustrated like my souls been taken away
Broken promise of everything that I thought you were
Thought you said this would never hurt, thatâ€™s what it did that is all

I do not feel the fear of falling
Thought I could fly
It didnâ€™t go well and oh well
What do you know

Iâ€™m right back where I was before
But Iâ€™m not alone, you said take my hand
And we go (and we go), and we go (and we go)
And I hope that we donâ€™t overdose
Cause we donâ€™t ('cause we donâ€™t)
No we donâ€™t (no we don't)
Ever know when we have had enough

I'm a be so cold, need some more

Iâ€™ve never felt these things before
Iâ€™m a feind for sure, please don't go
How could you not need me no more?

You're the only thing that I loved
Youâ€™re the only thing that I want
Youâ€™re the only reason, the only reason

I do not feel the fear of fallin', I wanna fly
If it all goes well, then I will
But what if I donâ€™t?

Ill be right where I was before
You're all that I know
