Fire On The Inside

Pillar

Days were so cold
Nights spent alone
Searching for that something
That I've never known
Held captive by the pain
Caught up in all the shame
My heart just won't stop playin these head games
Its like a terminal disease
And now I've found a remedyYou You're keeping
You're keeping me alive
With this fire on the insideNow I see the sun
The battle wages on
Gotta watch my back this time
So I know where its all coming from
Its like a shadow I can't see
And its sneaking up on meYou You're keeping
You're keeping me alive
With this fire on the inside
