

# Fire On The Inside

## Pillar

Days were so cold  
Nights spent alone  
Searching for that something  
That I've never known  
Held captive by the pain  
Caught up in all the shame  
My heart just won't stop playin these head games  
Its like a terminal disease  
And now I've found a remedy You You're keeping  
You're keeping me alive  
With this fire on the inside Now I see the sun  
The battle wages on  
Gotta watch my back this time  
So I know where its all coming from  
Its like a shadow I can't see  
And its sneaking up on me You You're keeping  
You're keeping me alive  
With this fire on the inside
