Freedom Isn't Free

Team America

Advisory - the following lyrics contain explicit language:

What would you do
If you were asked to give up your dreams for freedom
What would you do
If asked to make the ultimate sacrificeWould you think about all them people
Who gave up everything they had
Would you think about all them War Vets
And would you start to feel badFreedom isn't free
It costs folks like you and me
And if we don't all chip in
We'll never pay that billFreedom isn't free
No, there's a hefty fuckin' fee
And if you don't throw in your buck 'o five
Who will?What would you do
If someone told you to fight for freedom
Would you answer the call
Or run away like a little pussy'Cause the only reason that you're here
Is 'cause folks died for you in the past
So maybe now it's your turn
To die kicking some assFreedom isn't free
It costs folks like you and me
And if we don't all chip in
We'll never pay that billFreedom isn't free
No, there's a hefty fuckin' fee
And if you don't throw in your buck 'o five
Who will?
You don't throw in your buck 'o five
Who will?Oo, buck 'o five
Freedom costs a buck 'o five
