Crooklyn, Manhattan, Queens, Staten Island
The motherfuckin' Bronx, killa beezThe sword?
come on, give him the swordClan in da front, let your feet stomp
Niggas on the left, brag shit to death
Now hoods on the right, wild for the night
Punks in the back, come on and attract toThe Wu is comin' through, the outcome is critical
Fuckin' wit my style, is sort of like a Miracle
On 34th Street, in the Square of Herald
I gamed Ella, the bitch caught a Fitz like Gerald-
Ine Ferraro, who's full of sorrow
'cause the hoe didn't win but the sun will still come out tomorrow
And shine shine shine like gold mine
Here comes the drunk monk, with a quart of Ballentine
Pass the bone, kid pass the bone
Let's get on this mission like Indiana Jones, the GZA
One who just represent the Wu-Tang click
With the game and soul, of an old school flick
Like the Mack and Dolemite, who both did bids
Claudine went to Cooley High and had mad kids

So stop, the life you save may be your motherfuckin' own
 I'll hang your ass with this microphone
 Make way for the merge of traffic
 Wu-Tang's comin' through with Full Metal Jackets
 God squad that's mad hard to serve
 Come frontin' hard, then Bernhard Goetz what he deserves
 Clan in da front, let your feet stomp
 Niggas on the left, brag shit to death
 Now hoods on the right, wild for the night
 Punks in the back, come on and attract to
 The response while I bomb that ass, "You ain't shit!"
 Your wack ass town had you gassed
 Egos is somethin' the Wu-Tang crush
 Souped up niggas on a stage get rushed
 I don't give a god damn, on the shows you did
 How many rhymes you got, or who knows you kid?
 'cause I don't know ya therefore show me what you know
 I come sharp as a blade and I cut you slow
 You become so Pat as my style increases
 What's that in your pants ah human feces!
 Throw your shitty drawers in the hamper
 Next time come strapped with a fuckin' Pamper
 How ya sound be ? You're better off a quitter
 I'm on the mound G, and it's a no-hitter
 And my DJ the catcher, he's my man
 Anyway he's the one who devised the plan
 He throws the signs I hook up the beats with clout
 I throw the rhymes to the mic and I strike em out
 So it really doesn't matter on how you intrigue
 You can't fuck with those in the major leagues
 Clan in da front, let your feet stomp
 Niggas on the left, brag shit to death
 Now hoods on the right, wild for the night
 Punks in the back, come on and attract to
 Clan in da front, let your feet stomp
 Niggas on the left, brag shit to death
 Now hoods on the right, wild for the night
 Punks in the back, come on and attract to
 Hoods on the right
 Punks in the back, to what
 Niggas on the left
 Hoods on the right
 Punks in the back, come on, to what
 Let your feet stomp
 Brag shit to death
 Wild for the night
 Niggas on the left, brag shit to death
 Hoods on the right, wild for the night
 Punks in the back, come on and attract to
 Clan in da front, let your feet stomp
