Under the Influence

James Morrison

I was sure, I was born and raised to be my own man
And I was so sure, I was never gonna need a helping hand
And she said, trust in your heart and there's no need to understand
Well, just when I thought I had it planned outWhatever I do I'm under the influence of you
Whatever I do I'm under the influence of you, ohWell, I was driving too close to the edge and living dangerously
I felt a strange warm sensation rising up inside of me
Oh, like a tidal wave came from nowhere swept me off my feet
Oh, but somehow making me complete nowWhatever I do I'm under the influence of you
Whatever I do I'm under the influence of you, of you
Oh, whatever I do I'm under the influence of you, oh
Whatever I do I'm under the influence of you, you, ohOnce you've had a taste of it there's no going back
Once you've had a taste of it there's no going back
Once you've had a taste of it there's no going back
Once you've had a taste of it there's no going back, ohWhatever I do I'm under the influence of you
I'm under the influence of you
Whatever I do I'm under the influence of you
It's just youWhatever I do I'm under the influence of you
There's nothing I can do, now
Whatever I do I'm under the influence of you
Of you oh, you, oh, alright, alright
There's nothing I can do, you got me in, you got me in
