Love Fight

Flipper

Running around like spies at night
we yearn for love in our lives
Shots are fired from that gun
Love, love, love, is on the runGive...It...To...Me
All night
A love born from lust's delightIt's not a riddle nor is it trite
It's how our souls feel right
It's what our bodies want tonight
Love, love, love, in a lust filled flight
Give...It...To...Me
All night
A love born from lust's delightThe sound of hearts breaking in two
That's the game that I'm used to
So you had better step up/ on back
Cause I got nothing more to do with thatGive...It...To...Me
All night
A love born from lust's delight
The thrill of the hunt is in the chase
As soon as you catch it, you lay it to waste
Now is the time to go another round
The target is ready, go knock it to the groundGive...It...To...Me
All night
A love born from lust's delight
