## Marianas Trench

An empty room,  
I'm empty too  
And everything reminds me of you  
So many things  
I shouldn't have missed  
The more that I push  
And the more you resist  
It's easy to say it's for the best  
When you want more  
While you leave me with less

I know you're fine, but what do I do?  
I know you're fine, but what do I do?

I'm awake, and trying  
While you're sleeping like a baby  
Beside him  
I'm on the ledge while you're so  
God damn polite and composed  
And I know you see me,  
And you're making it look so easy  
What comes and goes,  
I'd go without

I know you're fine but what about  
(Fallout), Fallout, (fallout), fallout (fallout)  
Through the Fallout  
(Fallout), Fallout, (fallout), fallout, (fallout)  
You're the fallout

Well now there's him,  
And now there's me  
The secrets you give  
And the secrets you keep  
And nevertheless  
It's never you let  
The more that I give  
And the less that I get  
Don't tell me to fight,  
To fight for you

After this long, I shouldn't have to

I know you're fine, but what do I do?

I know you're fine, but what do I do?

I'm awake, and trying

While you're sleeping like a baby

Beside him

I'm on the ledge while you're so

God damn polite and composed

And I know you see me,

And you're making it look so easy

What comes and goes,

I'd go without

I know you're fine but what about

(Fallout), Fallout, (fallout), fallout (fallout)

Through the Fallout

(Fallout), Fallout, (fallout), fallout, (fallout)

I know you're fine but what about

(Fallout), Fallout, (fallout), fallout (fallout)

Through the Fallout

(Fallout), Fallout, (fallout), fallout, (fallout)

You're the fallout

I know you're fine, but what do I do?

I know you're fine, but what do I do?

I know you're fine but what about

(Fallout), Fallout, (fallout), fallout (fallout)

Through the Fallout

(Fallout), Fallout, (fallout), fallout, (fallout)

I know you're fine but what if I

(Fallout)

I'm awake, and trying

While you're sleeping like a baby

Beside him

I'm on the ledge while you're so

God damn polite and composed

(Fallout), Fallout, (fallout), fallout (fallout)

Through the Fallout

(Fallout), Fallout, (fallout), fallout, (fallout)

Through the Fallout

(Fallout) FALLOUT (fallout)
