My Little Red Book

The Olivers

I just got out my little red book
The minute that you said goodbye
I thumbed right through my little red book
I wasn't gonna sit and cry
And I went from A to Z
I took out every pretty girl in town
They danced with me and as I held themAll I did was talk about you
Hear your name and I'd start to cry
Theres just no getting over you, oh, noThere ain't no girl in my little red book
Who could ever replace your charms
And each girl in my little red book
Knows you're the one I'm thinkin of
Oh, won't you please come back
Without your precious love I cant go on
Where can love be, I need you so muchOh, won't you please come back
Without your precious love I cant go on
Its haunting me, I need you so muchAll I did was talk and talk about you
Hear your name and I'd start to cry
Theres just no getting over you
All I did was talk and talk about you
Hear your name and I'd start to cry
Theres just no getting over you, oh no
