

# Hour Of Need

Peter Frampton

I don't wanna live my life in chains  
Feel these voices roaming in my brain  
All they do is dig a deeper hole  
Deep enough to hold my tortured soul[Chorus]  
Hear come the demons  
As far as I can see  
Runnin' and screamin'  
Chasing after me  
Maybe I'm dreaming  
But I know I won't be free till..  
Rider and horse drown in the sea  
Rider and horse drown in the sea There ain't nothing for me down these tracks  
But an ugly monkey on my back  
I need an angel like I need a face  
Somethings a hit me like a ton of bricks[Chorus: x 2]
