

# Tell Me Something I Don't Know

## KIDZ BOP Kids

Tell me something, tell me, tell meEverybody tells me that it's so hard to make it

It's so hard to break in, there's no way to fake it

Everybody tells me that it's wrong what I'm feeling

I shouldn't believe in the dreams that I'm dreamingI hear it everyday, I hear it all the time

I'm never gonna amount to much

But they're never gonna change my mind, ohTell me, tell me, tell me something I don't know

Something I don't know, something I don't know

Tell me, tell me, tell me something I don't know

Something I don't know, something I don't knowHow many inches in a mile?

What it takes to make you smile?

Get you not to treat me like a child, babyTell me, tell me, tell me something I don't know

Something I don't know, something I don't know

Tell me, tell me something I don't know

Tell me, tell me something I don't knowEverybody tells me I don't know what I'm doing

This life I'm pursuing the odds I'll be losing

Everybody tells me that it's one in a million

One in billion, one in a zillionI hear it everyday, I hear it all the time

I'm never gonna amount to much

But they're never gonna change my mind, ohTell me, tell me, tell me something I don't know

Something I don't know, something I don't know

Tell me, tell me, tell me something I don't know

Something I don't know, something I don't knowHow many inches in a mile?

What it takes to make you smile?

Get you not to treat me like a child, babyTell me, tell me, tell me something I don't know

Something I don't know, something I don't knowShe hit the track like a surfer making waves

Like cold Medina make 'em say, I'm ready

Are you ready for it? Yes, I'm ready for it

Really ready for it? Yes, I'm ready for it

Let's get ready for itI'm on my way I know I'm gonna get there someday

It doesn't help when you say it won't be easyTell me, tell me, tell me something I don't know

Something I don't know, something I don't know

Tell me, tell me, tell me something I don't know

Something I don't know, something I don't knowHow many inches in a mile?

What it takes to make you smile?

Get you not to treat me like a child, babyTell me, tell me, tell me something I don't know

Something I don't know, something I don't know
