True Love's Kiss

Amy Adams

When you meet the someone
Who was meant for you
'Fore two can become one
There is something you must doDo you pull each other's tails?
Do you feed each other seeds?
No, there is something sweeter
Everybody needsI've been dreaming of a true love's kiss
And a prince I'm hoping comes with this
That's what brings ever-aftering so happyAnd that's the reason we need lips so much
For lips are the only things that touch
So to spend a life of endless bliss
Just find who you love through true love's kissAaa, aaa, aaa-a
Aaa, aaa, aaa-aShe's been dreaming of a true love's kiss
And a prince she's hoping comes with this
That's what brings ever-aftering so happy (So happy)And that's the reason we need lips so much
For lips are the only things that touch
So to spend a life of endless bliss
Just find who you love through true love's kissYou're the fairest maid I've ever met
You were made to finish your duet
And in years to come we'll reminisce
How we came to love
And grew and grew love
Since first we knew love through true love's kiss
