Krank

KMFDM

Advisory - the following lyrics contain explicit language:

Hit rock-bottom
End of the line
Outhouse of life
Where the sun don't shine
Down and out
Straddling demise
Get a grip on yourself
Pick up and riseTop of the world
Designed to destruct
With wings unfurled
Sky-high and fucked
Out of the true

Crash and burn or slow down and subdue Live and learnAchtung! Here we come With another motherfucking dirty bomb Krank! - Krank it to 11

Kein Mehrheit Fr Die Mitleid 24/7 Once again rings true what we always knew KMFDM is the drug for youFreedom is a loaded shotgunKrank! Kein Mitleid Fr Die Mehrheit
