

# Chinese New Year

## SALES

I'll see you at the movies  
I'll see you with your lipstick on  
I'm looking out for cosmos  
I'm hoping that we'll get along  
It's time for renovation  
It's time for us to make a change  
It's time for a Chinese new year  
It's time for me to make a way  
And I can't  
No, I can't wait to  
Get back from here  
No, I can't  
I can't wait to get out of here  
No, I can't  
No, I can't  
No, I can't  
Wait to get out of here  
I'll see you at the movies  
I'll see you with your lipstick on  
I'm looking out for cosmos  
I'm hoping that we'll get along  
It's time for renovation  
It's time for us to make a change  
It's time for a Chinese new year  
It's time for me to make a way  
Sweat a lot  
And I?  
I was there a lot  
Last year  
Wept a lot  
I'll bet you slept a lot  
I was there a lot  
Last year  
Please?  
Baby, seize my heart  
And I... started to fall last year
