Bat Country

A7X @ LBC

Well it's been a long night
The chapel bells hit twelve and i feel alright
And she was standing there and she said alright
Well my boy i need some kicks show me some tricks
And then we'll open up the sea
Cause you amaze, you amaze me
Yeah you amaze, you amaze me
Oh, it's been a good life
We're too gorgeous to die
Well it's the good life
Like pistol whips and knives, this shit's a gun fight
So pin me to the wall and watch me fall into your arms and i am free
Cause you amaze me, you amaze me
Yeah you amaze, you amaze me
And I want to love you
I want to love you blue
I want to do some horrid things with you
So hold me closer
And make me all I'll be
Cause baby you
You amaze, you amaze me
Yeah you amaze, you amaze me

Let's call it even
You are a shooting star and I'm a demon
Illuminate the sky, ignite the breathing
Cause i am lack of air
But i don't care
It's how i fare
It's how I'll be
Cause you amaze me, you amaze me
I want to love you
I want to love you blue
I want to do some horrid things with you
So hold me closer
And make me all I'll be
Cause sugar you
You amaze, you amaze me
Yeah you amaze, you amaze me

Yeah you amaze, you amaze me
Yeah you amaze, you amaze me
Yeah you amaze, you amaze me
And everything is gonna be alright
Yeah everything is gonna be alright, right
Yeah everything is gonna be alright, right
Yeah everything is gonna be alright, right, right...
