

# Thought I Knew

Nico & Vinz

The way I see it  
I don't wanna be left alone  
I don't wanna be left alone  
And the way I see it  
You're the one I was hoping for  
You're the one I was hoping for  
See, I thought I knew it all  
But I knew that we could be, yeah  
But where the face you show  
I don't know if you're for me after all All my life I  
All my life I thought I knew  
If I was straight I  
If I was straight I'd be with you All my life I  
All my life I thought I knew  
If I was straight I  
If I was straight, I'd be with you Early nights and stage frightening  
Their eyes are stage lights I  
Can't hide the fear without you  
Now I can't sleep right and  
The food don't taste nice I'm  
Just not myself without you  
You took too much  
I didn't get enough  
It should've been the other way  
Every morning I feel like  
Something in me wants to die  
And if I'm right I'll be with you, with you oh whoa All my life I  
All my life I thought I knew  
If I was straight up  
If I was straight up I'd be with you All my life I  
All my life I thought I knew  
If I was straight up  
If I was straight up I'd be with you Hey  
No, I won't give up easy  
No, I won't let you go  
No, I won't give up easy All my life I, all my life I thought I knew  
If I was straight I  
If I was straight, I'd be with you
