

Just Breathe

Paden Smith

Broken hearts and unseen dreams
Your world is ripped apart at the seams
Be strong and don't you cry
Guardian angels fly
Shattered pieces of our lives
Tears are falling through the night
When you can't feel the peace
When you can't find relief

CHORUS

Just breathe
Believe
And know that God is watching
Just breathe

V2)

You try to make it through this life
But nothing seems to work out right
Hold your head up high
You are in His light

When you are burned by the flame
Through the pain of those hard days
Do your best to smile
It only lasts awhile.

CHORUS

BRIDGE

When you can't take it,
Your heart won't make it
The power of faith seems weak
If you'll just feel it
Oh, you can heal it
Don't give up, just breathe

V3) In a world of passers-by
You go unnoticed in their eyes
Hold on, your time will come

You are seen by One

CHORUS x2
