Giants (Paperwhite Remix)

Savoir Adore

If you build your house out of bones
You'll never be alone
See your body exposed
Just a vessel for your soul
Throw your heart in the river
If you can't let it go
'Cause your soul grows bigger
Than your body ever knowsStumble repeat, stumble repeat
Get off your feet, get off your feet
If the feeling don't fit
You'll just have to stick with it
Got a soul so big, we were giants at the start of it
No, we're never gonna quit
Not even just a little bit
No, we're never gonna quit
'Cause we are giants, giants, giants
At the heart of itThis world is blind
Eyes so deep and difficult
If we took the time
We'd see the ease in being kind
Throw it all in the river
And let it all go
You don't have to suffer
To let yourself grow
Watch it burn into cinders
Can you read the smoke?Stumble repeat, stumble repeat
Get off your feet, get off your feet
If the feeling don't fit
You'll just have to stick with it
Got a soul so big, we were giants at the start of it
No, we're never gonna quit
Not even just a little bit
No, we're never gonna quit
'Cause we are giants, giants, giants
